

CORE NETWORK INTERN

ZTE Vietnam belong to ZTE Corporation - one of the world's top 04 telecommunications corporations. Founded in 1985, ZTE is one of the leading suppliers pioneering in providing integrated solutions and equipment for global operators, governments and enterprises from more than 160 countries worldwide. In Vietnam, with more than 20 years of operation in the ICT market, ZTE has established close relationships with leading telecommunications carriers such as Viettel, VNPT, Mobifone, FPT and Vietnamobile, delivering cutting-edge network solutions and services.

1. Job Description

- Support the implementation and technical activities of international engineering projects related to 2G/3G/4G core network products
- Assist in equipment commissioning, system upgrades and basic troubleshooting.
- Provide support for network operations by assisting on-site teams or following guidance for remote support activities.
- Learn and follow standard procedures for network maintenance and technical operations under the guidance of senior engineers.

2. Main Requirements

- Proficiency in English or Chinese for technical communication and coordination.
- Currently pursuing a degree in Electronics & Telecommunications or a related field.
- Basic understanding of mobile network technologies (2G/3G/4G).
- Strong analytical and problem-solving skills.
- Fast learner with adaptability to new technologies.
- Proficient in office software such as Microsoft Office (Word, Excel, PowerPoint).

Better If Have

- Previous internship experience in a related field.
- Knowledge or certification related to CCNA/CCNP.

3. What We Offer

- Attractive internship allowance: 7 million VND/month.
- Gain experience with networking technologies through professional training, mentorship 1-1 and direct involvement in telecom projects.
- Access to ZTE's exclusive system with millions of advanced technology courses.
- Work in a multinational environment to improve technical skills and practice foreign language skills.
- Working Time: 8h00 - 17h30 (30' flexible) Monday to Friday.
- Location: ZTE Office - Leadvisor Tower, 643 Pham Van Dong, Nghia Do, Hanoi.

4. How To Apply
